

Packing list - Autumn

Remember:

- **This list is a suggestion. All hunters are responsible that they have proper equipment**
- **Do not pack too much. You need to carry everything with you in a Backpack**

Hand luggage / pockets

- Passport
- Hunting permit + gun licenses
- Travel insurance certificate, NOTE! Also evacuation insurance
- Airline tickets
- Mobile phone, charger
- Powerbank (Note ! Lithium-ion power supplies over 100 watt hours require a special permit, additional batteries over 160 watt hours are not allowed on the flight)
- Camera batteries charged, extra batteries, memory cards
- Laser rangefinder charged (if you got, not really important)
- Cash: 50% of Hunting expenses + money for additional costs, extra animals, trophy shipment, tip.
- Painkillers, prescription drugs, prescriptions
- Sunglasses
- Binoculars
- Spare batteries for equipment
- Light hunting outfit
- First aid supplies and Compeed plasters
- Mosquito net.

Large backpack in Cargo

- Light hunting outfit
- Raincoat
- Backpack raincover or rain poncho that covers backpack in case of rain
- Warm underwear if october
- Sleeping bag: -10C comfortable
- Beanie and cap
- Hiking socks
- Hiking boots (used – not new ones)
- Personal hygiene products
- Underwear
- Earmuff / Hearing protection
- Comfortable base camp clothes
- Scarf / face shield

- Fishing tackle and equipment (at hunts in area 9)
- Drinking bottle
- Thermos
- Knife
- Gloves according to time of season
- small light towel
- Lip balm with sunscreen
- sun protector with a high factor
- Good flashlight / headlamp
- Campshoes

If you bring a gun:

- Weapon papers
- Fill out form for airgreenland:
<https://www.airgreenland.dk/media/507839/skydevaaben.pdf>

About tax-free.

- In autumn the tax-free shop in Kangerlussuaq airport is well stocked, but is a small shop. So you might buy special products in Copenhagen.
- Cigarettes is a lot cheaper in Kangerlussuaq tax-free than Copenhagen tax-free. Really a lot. If you dont smoke, one of my guides smokes Prince, and would love to buy them from you at tax-free price.
- Alcohol, just remember you have to carry it to camp (except october where we sail to camp), and glass might break, so those ½ liter plastic bottels is better during transport.

Packinglist – Winter.

Mostly the same stuff, just remove a few summer related items, and add the following:

- Warm winterboots, like Sorel Glacier, it can be minus 30 in daytime.
- Warm winterclothes, bib+jacket or coverall for when we drive snowmobile, lighter clothes under for when we go up hunting.
- Big warm gloves
- Warm hat for when walking (got helmet on during snowmobiling)
